Library of the University is a treasure house of authentic and valuable information that support the educational and research needs. It facilitates learning and enrichment of knowledge. It serves the need for enhancement of quality of education. The Library regularly procures useful books reports, periodicals, and other Knowledge assets to improve its resource base. Library has more than one lakh books with textbook, reference books and other competitive / general books etc. The spacious library with requisite furniture and a reading room provides the right environment for students to enrich their knowledge by studying the books written by eminent authors - both national and international - and also by browsing reputed national and international journals, magazines, etc. The library is well-stacked with more than one lakh books. Book bank facility is provided to the students through which each student gets requisite text books on all subjects according to the academic requirements of different semesters. This facility is in addition to the students' entitlement of books issued against library cards. All

libraries books are barcoded. The users can find out the availability status of the books and other materials through the Koha software - Online Public Access Catalogue (OPAC).
