

About Library

The Sanskriti University library is fully automated with Koha and DSpace software which connects all computers of all school libraries and departmental libraries. This facility is in addition to the students' entitlement of books issued against library cards. All libraries books are barcoded. The users can find out the availability status of the books and other study materials through the Koha software - Online Public Access Catalogue (OPAC).

Web OPAC Library Link: <http://digital.sanskriti.edu.in/>

The Central Library is controlling all libraries of the Sanskriti University including Agriculture and Law Library; Education, Pharmacy and Paramedical Library, Nursing Library, SAMCH (Ayurveda) Library and Polytechnic Library etc. The Library regularly procures useful books, reports, periodicals and other Knowledge assets to improve its resource base. Library has more than one lakh books with textbook, reference books and other competitive / general books etc. The spacious library with requisite furniture and a reading room provides the right environment for students to enrich their knowledge by studying the books written by eminent authors - both national and international - and also by browsing reputed national and international journals, magazines, etc. Link: <https://sites.google.com/view/suclibrary>
